### PROFESSIONAL EXPERIENCE

#### Reskill Americans *UI/UX Designer*

2021

- Conceptualized a clothes donation charity app under strict deadlines and heavy workload, providing unique solutions through the end-to-end process (user research, designing screens, prototyping, etc.).
- Crafted responsive user experiences with a mobile-first mentality while still establishing consistent web/desktop interaction patterns, overcoming challenges through ingenuity, dedication, and attention to detail.
- Acted as the primary liaison with developers, project managers, and the UX team to design creative and intuitive design solutions, instituting new channels for communication across projects.
- Noted for vital input to project style guides and pattern libraries, acting as a go-to UX resource.
- Selected to help other struggling teams and provided comprehensive feedback.
- Received recognition as a star designer and was designated to present at a demo day.
- Offered unique insights to the organization's focus group (Reskill Americans) to help make web design/flow decisions, increasing knowledge at every opportunity with the latest methodologies.
- Uncovered opportunities to improve responsiveness, develop process flows, and perform all other UI and UX design functions, reducing required work hours throughout development.

#### Sayreville Public Schools *Teacher*

2006 – Present

- Produced outstanding educational resources, presented complex information effectively, and provided critical contributions to the utilization of new learning technologies and engagement strategies.
- Emphasized constant performance improvements, handling gap analyses to assess the current state, prioritize performance issues, and support curriculum planning.
