PROFESSIONAL EXPERIENCE

Self Employment

2022 - current

Designer/Web Developer

- Utilized the Adobe Suite at all levels of development
- Collaborated closely with clients to craft a unified brand identity that embodies their core values, mission, and vision
- Logo Design, color palette development and typography
- Developed applications under strict deadlines and heavy workload, providing unique solutions through the end-to-end process (prototype to code, debugging, etc.)
- Built responsive applications with a mobile-first mentality while overcoming challenges through ingenuity, dedication, and attention to detail
- Designed and built visually appealing, user-friendly custom websites which are optimized for search engine ranking

Sayreville Public Schools

2011 – 2021

Teacher

- Taught Art, US History and World History in tandem
- Crafted lesson plans that were tailored to the requirements of remote teaching during the Covid pandemic, incorporating the use of the Adobe Suite
- Produced outstanding educational resources, presented complex information effectively, and provided critical contributions to the utilization of new learning technologies and engagement strategies
- Emphasized constant performance improvements, handled gap analyses to assess the current state, prioritized performance issues, and supported curriculum planning
- Administered extracurricular after school clubs and assisted with after school events

Additional Experience: Liberty Academy Charter School, Teacher, 2007 – 2011
